

The Smoke Ring News

THE PIONEER ENGINEERS CLUB OF INDIANA, INC. NEWSLETTER
October 2022

Greetings from the Pioneer Engineers Club!

We hope this letter finds all are well. We also hope that the 2022 reunion was one of the best for you. Caldwell Pioneer Acres was filled with many great exhibits and lots of old and new friends. With the 2022 reunion in the rear-view mirror, it is time to look forward and mark your calendars for November 5th. We will be having a work day at Caldwell Pioneer Acres starting at 9:00 AM. We need to cut and stack firewood, clean up the grounds, winterize equipment and spend a little time catching up with friends. A pitch-in dinner will be held at 6:00 PM. The club will be providing fried chicken and lemonade. Please bring a side dish or dessert to share.

Following dinner, we will have our annual membership meeting and election. All officers are up for election. The directors up for re-election are Donald Coon, Mindy Lower, and Nick Heffelmire. If you are interested in running to be an officer or director, please contact one of our current officers or directors, with any questions you may have, and come to this meeting.

All of us are looking forward to our 75th reunion in August 2023! We are excited to announce that we will be featuring Farmall/International Harvester tractors and equipment and Peerless steam engines. Please bring your ideas for ways we can make the 75th reunion our greatest reunion yet. Do you have both great ideas for the 75th reunion AND the desire to help us bring them to fruition? If so, please talk to the club president about being a member of the 75th anniversary committee.

We look forward to seeing everyone on November 5th!

Dates to remember:

November 5th - Fall work day/membership meeting & election

August 3-6, 2023 - Pioneer Engineers Club 75th Reunion
